

REQUEST FOR PROPOSAL

SITE SECURITY EXTERIOR BOLLARDS

Addendum #4

Issued 6/8/22

Despite anything contained within the RFP titled SITE SECURITY – EXTERIOR BOLLARDS issued on Monday, May 9th, 2022 to the contrary, ASM Global reserves the right to engage Providers either pre-award and/or post award to identify cost cutting strategies and/or value engineering approaches. As a result, ASM Global may, at its sole discretion, elect to alter the scope of the project accordingly to better align with its established objectives. Furthermore, ASM may elect to pursue, at its sole discretion, certain alternative funding opportunities for select portions of the project and Provider agrees to cooperate with this process as necessary.
